Our Sandwich Platters are the talk of the town! “Live up any event with a mix of our sandwiches.”

**CATERING**

Why do so many want to eat our unique sandwiches over-and-over-again?

**Chicken Cutlet Italiano**

Our #1 Selling Sandwich Voted Best Sandwich in Connecticut

Ingredients: Homemade Chicken Cutlet, Prosciutto di Parma, Fresh Mozzarella, Baby Arugula, Roasted Red Peppers, & Homemade Balsamic Vinaigrette

Our delicious sandwiches start with great bread. Every morning our original recipe Ciabatta rolls are delivered warm from the bakery ovens. This amazing bread is moist on the inside, and is surrounded by a tasty crust. It’s one terrific piece of bread to start with!

We stack our sandwiches with the finest ingredients. Our chicken and eggplant cutlets are homemade in our spotless kitchen before they are served. Our meats and cheeses are the best, using old-world curing methods, and we import hand-trimmed Prosciutto di Parma directly from Italy.

**Our mozzarella cheese tastes so fresh. Why?** - Because it is! It’s made from Grade A milk curd from farms that have received the highest 5-Star certification. (This means that they’ve exceeded the government’s highest rating, and ensure the highest level of animal health and welfare.)

When it comes to finishing our sandwiches; we only use the best ingredients. We make our own balsamic vinaigrette and pesto dressings with olive oil which is imported from Italy, and made from fresh picked olives (picked from the tree; and NEVER off the ground). They’re pressed old-world style between two cold stones. (In Italy, ‘old world’ is 2,000 years!) Our tomato sauce is made daily right here, using ripe tomatoes (In Italy, ‘old world’ is 2,000 years!), and made from fresh picked olives (picked from the tree; and NEVER off the ground). They’re pressed old-world style between two cold stones. (In Italy, ‘old world’ is 2,000 years!)

Our Value is Unmatched!

Our finest quality ingredients cost more than those used by other sandwich shops; which cut corners to offer you an inferior sandwich at a lower price. They hope you won’t notice – but after enjoying one of our SuperSandwiches you’ll realize that there is no better quality sandwich to be had anywhere - or at any price!
